READING VOLUNTEERS NEEDED

It is always great to walk around the school and see so many volunteers listening to Kindergarten, Year 1 and Year 2 children read. Children benefit greatly from having an adult listen to them as they develop their reading abilities.

We also have some students in others stages that would benefit from having an adult listen to their reading on a regular basis. If you, or someone you know, could spare some time each week to read with these older students, it would be greatly appreciated. We can offer some training and suggestions on how to be of the most help.

If you can help, please contact me with when you are available. You can email me, write me a note, or come to my room for a talk.
