MUSIC A VIVA

On Monday 25 June all the students at Rozelle will have the opportunity to experience a performance by one of Australia's leading jazz and world music ensembles Marai. This will be an interactive concert where the students will be able to participate with the ensemble through song and dance. Throughout this term the students have been familiarised with the repertoire in class as part of our Music program. The highly acclaimed Jazz Folk ensemble will be the culminating experience for this program. Please ensure that the students have returned the permission note and the money to attend this special concert.
