## Friday 27th July 2018

### SHORT REMINDERS

Welcome back. Hopefully everybody had a restful holiday and returns to school full of energy for the busy term ahead. Here are just a few of our exciting upcoming events:

#### Spelling Bee

Students in Years 3-6 will be taking part in the in-class Spelling Bee competition in Week 2. 2 students from each class will then be competing against their grade in Week 3.

#### Education Week (6th - 10th August)

Week 3 also sees the school celebrating Education Week. This year's theme is Today's Schools - Creating Tomorrow's World. We love families to join us on Thursday 9th August for open classrooms. (See invite below)

#### Athletics Carnival

Students in Years 2-6 will be attending the school Athletics Carnival on Tuesday 7th August at King George's Oval. Parents are welcome to join us on the day and volunteers to help with time keeping are always needed. Students will need to wear their house colours. Permission notes will be coming home soon.

#### Y6 Cake Stall (at the Athletics Carnival)

This year Y6 parents will be running a cake stall at the Athletics carnival to raise funds for the Y6 Farewell. Year 6 classes need donations of home baked goodies that can be dropped off in Ms Milne's or Mr Kotevski's rooms or taken directly to King George's Oval on the morning of the carnival. Cake boxes are available at the school office or you can use your own containers (Please make sure they are labelled so they can be returned).

#### Coding workshops

Children in Kindergarten, Year 1 and Year 2 (Grainer and Mancini) have begun their coding workshops this week. Due to space limitations, students from Year 2 (Rahman and Sondheim), and Years 3-6 will participate in Term 4. More information about the program will be sent home in Week 2.

#### Payments and Upcoming Events

In response to parent feedback, each grade will be providing families with a one-page summary of upcoming events and costs for the term. Hopefully this will give families a clearer understanding of events and help us all to better manage permission notes and payments. This will also provide families with the option of paying for these events in advance. More information to be provided soon.

#### Band info

Band Community Meeting: Wed 1st Aug, 7pm in the Staff Room. All band parents/carers welcome and encouraged to join us!

We would like to invite you to join us between 9.15am and 10am on Thursday 9th August to help celebrate Education Week. The theme this year is 'Today's Schools – creating tomorrow's world'.

We are looking forward to showcasing the incredible world of Science, Technology, Engineering and Mathematics (STEM). Please visit your child's classroom and be a part of this exciting journey.

Crunch 'n' sip will be shared together at 10am on the tiger turf.
