SHORT REMINDERS

BAND NEWS

Reminders as we near the end of Term 2:

ASSEMBLY: Advance band will be performing at next week's assembly on July 6th.

MORNING BAND REHEARSAL CHANGES TO WEEK 10: Monday 2nd - Friday 6th July

Due to Helen's involvement with CREATE EAST the following changes will apply:

NO BAND REHEARSAL MONDAY 2ND JULY - All Monday band students to attend Thursday 5th July rehearsal

NO BAND REHEARSAL TUESDAY 3RD JULY - Tuesday band students to attend Friday 6th July rehearsal

Wednesday band students - rehearsals will take place as usual

TUESDAY BAND CHILDREN - IMPORTANT THAT YOU ATTEND FRIDAY'S REHEARSAL AS YOU ARE PERFORMING AT ASSEMBLY THAT MORNING. PLEASE BRING YOUR INSTRUMENTS AND MUSIC.

Lessons with tutors:

Lessons with tutors are on until the last day of term and start on the 1st day of Term 3, (unless you have been informed otherwise). Please let Helen and your child's tutor know if your child will miss any lessons due to holiday leave, or any other circumstances, so that any missed lessons will be deducted from your invoice.

If you are missing tupperware and containers from the Big Gig, there are some in the uniform shop/canteen.

NAIDOC WEEK

As NAIDOC week falls in these school holidays, the assembly is in Week One, Term Three. Zimmer Blue will be conducting our school assembly in that week. Part of the presentation will be based on this year's theme 'Because of her, we can' and a group of students who have been working with Mrs Horton will also have a special role in the presentation on that day.

STAGE 2 WEEK of TASTES

As part of the Stage 2 Science program the students will be visited by food professionals during week 2 and 3 of Term 3. The activities organised for this incursion aim to develop an appreciation for the origin of food, how it is prepared and its taste. Student will also have the opportunity to engage with people who are passionate about food. In preparation for this excursion students need to bring a blindfold or sleeping mask (preferably one like a sleeping mask used on a plane) and \$3 cash to buy the foods for tasting.

YEAR 2 INCURSION

Year 2 have a Science incursion on Tuesday 31st July. Each class will attend a 60 minute 'Marvellous Mixtures' workshop to complement our conceptual unit 'Change'. In this hands-on science workshop students will investigate all manner of suspensions, colloids and solutions to find out different ways of separating mixtures. Filtration, chromatography, magnetism, centrifugation, evaporation and chemical separation techniques are all explored...are they physical techniques or chemical techniques? A note will be sent home with additional information at the start of Term 3.

BOOK WEEK WRITING & DRAWING COMPETITION

Inner West Libraries are holding their annual drawing and writing competition to celebrate Children's Book Week. Entries are available from the school office or any Inner West Council Library. Entries close Friday 10th August.

SCHOOL DATES

Friday 6 July is the last day of **Term 2**.

All staff resume duty on **Monday 23 July** to attend a conference as part of our School Development Day.

School resumes on **Tuesday 24 July for all students** to commence Term 3 of the school year.

Angela Svinos Deputy Principal
